

HOMEMADE PAPER GLUE

Ingredients:

- 1/4 cup cornstarch
- 1/4 cup water

Method:

- In a small sauce pan, whisk the cornstarch and the water together until smooth.
- Heat up slowly, mixing at all times.
- When the mix become translucent remove from the heat.
- Let cool down.
- You can mix it with a hand blender for a smoother paste.

Tips:

You can adapt the recipe to make the glue thick or runny depending of your need.

Uses:

- Glue any paper or card together
- Papier maché
